We invite you to be a part of this year's Calgary International Beerfest by offering you the opportunity to purchase your tickets at a discount rate.

The Calgary International Beerfest is a great social event where you can sample and learn about hundreds of different kinds of beers (as well as other beverages), enjoy a variety of different foods, play games, listen to live music, and generally have a great time with friends or coworkers. We would like to offer you tickets to the event for \$17 each (regularly \$19 in advance and \$25 at the door). We can also offer you the opportunity to pre-purchase sample tokens, which you can use once inside the event to sample both beverages and food. (\$0.50 each and sold in blocks of 10).

Simply fill out the information below, and when you are ready to order, fax your sheet in (403.520.7793). All orders must be received by April 13th, 2012. Sorry, no refunds. Once the form is received, our office will invoice you for the full amount. Once we receive payment, we will send out your tickets and tokens right away. For more information about the event, you can go to www.calgarybeerfest.com or contact our offices.
